

Company Fact Sheet

- Overview:** CompostMania.com, headquartered in Dallas, Texas, is a comprehensive online destination for all things composting, offering top-rated products and tips of the trade for those getting started or savvy in composting. Founded in 2008 by Robert Olivier and Karl Warkomski, CompostMania.com educates consumers on composting practices and benefits, and sells the products to support this activity. CompostMania.com's goal is to reduce the amount of food waste disposed in landfills. This would be accomplished by reconnecting consumers with their local ecosystem through composting, organic gardening, and promoting the Earth's natural lifecycle.
- Products:** CompostMania.com carefully chooses vendor partners with high environmental standards who offer top-of-the-line products that have been researched and tested. From sophisticated compost bins to user-friendly garden tools, CompostMania.com offers a wide array of products with varying price points to meet the individual needs and lifestyles of those wanting to make a positive impact on the environment.
- Education:** CompostMania.com is the educational resource for individuals, families, students and communities wanting to learn about the environmental practice of composting. Educating consumers on composting is the root of CompostMania.com's business.
- Leadership:**
- Chief Executive Officer, Robert Olivier
 - Vice President of Operations, Karl Warkomski
- Ownership:** Owned by ESR International, LLC, an environmental research and development company
